INDEX OF STREETS, AVENUES, COURTS, ETC.

IN

BRA GNRP AND PROJECT AREAS

Compiled by:
Boston Redevelopment Authority
Research Unit
July, 1964

This index contains the streets, avenues, courts, etc. in the following GNRP and Project areas.

Back Bay GNRP
Central Business District Project *
Charlestown Project
Downtown GNRP

Downtown North GNRP
East Boston GNRP
Jamaica Plain GNRP
Parker Hill-Fenway GNRP%

Roxbury-North Dorchester GNRP #
South Boston GNRP
South Cove Project*
South End Project
Washington Park Project

The listing is organized alphabetically by street name and number. The absence of any street numbers merely indicates that the entire street is within the particular area noted. Next to each entry the project or GNRP area where the street is located is shown.

* The Central Business District and South Cove projects are identified in the listing as Downtown (CBD) and Downtown (SC).

% Following entries for the Parker Hill-Fenway area is the number 1,2,or 3 which refers to the number of the proposed project area within the GNRP.

Some streets may be missing from the Roxbury-North Dorchester GNRP. Also the street numbers in some cases may not conform exactly to the GNRP boundaries. This is the result of compiling the Roxbury-North Dorchester index via street listings of the precincts in the area. When the boundary lines are revised, the streets listed at present will be checked and adjusted.
